- MySQL

PROFESSIONAL EXPERIENCE

Web Developer Intern   07/2023 – 08/2023
Dabotics India Pvt. Ltd
- Developed a responsive blog website
- Designed and implemented a QR code generator.
- Created a feature-rich scientific calculator application.
- Developed the front end of the Discord application.

PROJECTS

Gif Generator
Developed a GIF generator react app enabling users to generate GIFs randomly or based on specific input criteria.Integrated the Giphy API to seamlessly fetch and incorporate GIFs from giphy.com.

Car Rental App (React)
Designed and developed a user-friendly car rental app in React. Implemented seamless brand-based filtering, utilized Tailwind CSS for a modern design, and integrated React Toastify for liking and unliking cars.

Weather App
Developed a weather application with a slick and simple UI that offers real-time meteorological insights using a combination of HTML, CSS, and JavaScript.
